WELCOME TO PONY MEADOWS!

6767 Balaclave St., Vancouver, B.C. V6N 0A7
 (Entrance off 51st Avenue)

**Let us teach you to ride –
 only minutes from anywhere
 in Vancouver**

Our Instructors are all very well qualified, either through years of experience, Equine Canada Certification, or Pony Club Standard. In addition, they have first aid certificates.

Our horses and ponies provide a variety of sizes and temperaments to suit every rider, and all are sweet and loveable!

Our tack, equipment, and facilities are carefully maintained and checked regularly for safety. We provide ASTM-approved safety helmets. Each rider is encouraged to progress through a series of clearly defined levels for which both riding ability and stable management knowledge is required. More advanced riders are encouraged to lease or buy a horse, join Southlands Riding Club, and progress to advanced lessons with Rick Maynard.

Extra Benefits:

1. Special rate for parents sharing a lesson with child: (child pays regular rate for 30 minute or 45 minute Private lesson, and parent can join in for an extra \$20.00)
2. Safe play areas for siblings of riders.
3. Fresh coffee and hot chocolate, dry viewing area for parents.
4. Full lease, 1/2 lease and 1/3 lease available.

We may take advantage of rainy or freezing days for Stable Management lessons to cover material required for badges.

IMPORTANT SAFETY RULES:

- ◆ We require all riders/guardians to read and sign waivers before riding.
- ◆ **Drivers!** Please observe the **30 km/hr** speed limit in Southlands.
- ◆ For your lesson you will need: Boots with a heel, stretchy pants or breeches, and safety helmet. (Some safety helmets are provided by Maynard's.)

Prices subject to change without notice.
